**Item 8.01. Other Events.**

On December 10, 2015, MagnaChip Semiconductor Corporation (the “Company”) and certain of its current and former officers and directors entered into a Memorandum of Understanding with the plaintiffs’ representatives to memorialize an agreement in principle to settle the consolidated securities class action lawsuit, *Thomas, et al. v. MagnaChip Semiconductor Corp. et al.*, Civil Action No. 3:14-CV-01160-JST, pending in the United States District Court for the Northern District of California (the “Class Action Litigation”). The proposed settlement releases all claims asserted against all defendants in the Class Action Litigation except for Avenue Capital Management II, L.P. and does not release claims asserted in the derivative actions *Hemmingson, et al. v. Elkins, et al.*, No. 1-15-CV-278614 (PHK) (Cal. Super. Ct. Santa Clara Cnty.) and *Bushansky v. Norby, et al.*, No. 1-15-CV-281284 (PHK) (Cal. Super. Ct. Santa Clara Cnty.) (the “Derivative Actions”). The Class Action Litigation and the Derivative Actions are more fully described in the Company’s Quarterly Report on Form 10-Q for the period ended September 30, 2015.

The Memorandum of Understanding provides for an aggregate settlement payment by the Company of \$23.5 million, which includes all attorneys’ fees, costs of administration and plaintiffs’ out-of-pocket expenses, lead plaintiff compensatory awards and disbursements. The Company expects the settlement will be fully funded by insurance proceeds. The settlement includes the dismissal of all claims against the Company and the named individuals in the Class Action Litigation without any liability or wrongdoing attributed to them. The settlement described in the Memorandum of Understanding remains subject to stockholder notice, court approval and other customary conditions.

These statements are not guarantees of future performance and actual results could differ materially from the Company’s current expectations. Factors that could cause or contribute to such differences include the risks and uncertainties detailed from time to time in the Company’s filings with the Securities and Exchange Commission, as well as the possibility that the court may materially alter or fail to approve the terms of the settlement in the Memorandum of Understanding. The Company assumes no obligation and does not intend to update the forward-looking statements provided, whether as a result of new information, future events or otherwise.
