PART III
NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR or the transition report or portion thereof, could not be filed within the prescribed time period.

MagnaChip Semiconductor Corporation (the "Company") has determined that it is unable to file its Quarterly Report on Form 10-Q for the quarter ended March 31, 2014 within the prescribed time period without unreasonable effort or expense for the reasons described below.

As disclosed in the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission ("SEC") on March 11, 2014, the Audit Committee of the Company's Board of Directors determined that the Company incorrectly recognized revenue on certain transactions and as a result will restate its financial statements. This conclusion is based upon preliminary findings of an ongoing internal review into practices and procedures by management, conducted at the Audit Committee's request by outside professional advisors and after consultation with management and the Company's independent auditors. Revenue on these transactions was recognized when products were shipped to a distributor but should have been recognized when the distributor shipped the product to the customer. As a result, revenue on these transactions will be reversed and recognized in the period when the products were shipped by the distributor.

The correction of the Company's revenue recognition methodology will be applied retroactively, which the Company currently expects will require the restatement of its financial statements for each of the first, second and third quarters of 2013 and 2012 and for the years ending 2012 and 2011 (the "Restatement Periods"). Accordingly, the Audit Committee has determined that the Company's financial statements for each of the fiscal years ended December 31, 2012 and December 31, 2011 and the quarters ended March 31st, June 30th, and September 30th in 2013 and 2012 included in the Company's Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q for such periods and together with all three, six and nine month financial information contained therein, should no longer be relied upon.

In addition, Margaret Sakai resigned as the Company's Executive Vice President and Chief Financial Officer effective March 25, 2014, and Jonathan W. Kim, the Company's Senior Vice President and Chief Accounting Officer, commenced serving as the Company's Interim Chief Financial Officer on March 25, 2014.

The restatement process for the Restatement Periods and the audit of the Company's financial statements for the year ended December 31, 2013 is ongoing. While substantial progress has been made, it is expected that this work will take several months. As a result, the Company does not expect that it will be in a position to complete the restatement and preparation of its first quarter 2014 financial statements and file its Quarterly Report on Form 10-Q within the 5-day extension period provided in Rule 12b-25(b).

Due to the Audit Committee's ongoing internal review and the Company's pending review and restatement of the financial statements for the Restatement Periods, which include the Company's fiscal quarter ended March 31, 2013, the Company is currently unable to make a reasonable estimate of any changes in results of operations in its financial statements for the quarter ended March 31, 2014 compared to the corresponding period in 2013 until the review and restatement is completed.
